

Could you use a little Extra Help?

If you apply and qualify for Part D Extra Help, Medicare may pay all or part of your:

Prescription drug costs

Monthly Part D premium

Annual deductible

Plus, there may not be a coverage gap, or “donut hole,” to worry about.

In addition to financial assistance, you may also be eligible for a Special Enrollment Period (SEP). This allows you to change your Medicare health plan any time during the year.

Individuals only

- Is your monthly income less than \$1,396?
- Do you have less than \$13,070 in assets?

Married couples only

- Is your monthly income less than \$1,891?
- Do you have less than \$26,120 in assets?

Call now to see if you may qualify for Extra Help or to reserve your seat at a neighborhood meeting to discuss your Medicare Advantage plan options
